

Clovelly Park Chiropractic Clinic Policy on Medical Procedures Information

The Chiropractic Board of Australia has censored Australian Chiropractors from providing patients with information that the Board considers is not “within the usual area of practice for a chiropractor”.

Specifically, the Board has named the topics of Vaccination, Immunisation and Anti-Vaccination literature. (Chiropractic Board Communique – 19 July, 2013)

Nonetheless,

- We acknowledge your right to make an informed decision about any medical procedure performed on you, or family members for whom you are legally responsible.
- We acknowledge your right to withdraw consent at any time for any such procedure.
- We acknowledge your right to honest, fair, balanced, good quality evidence about any medical or other procedures.
- We acknowledge your right to investigate and research the safety, risks and efficacy of any such procedures.
